1 This case involves review of Federal Defendants' alleged failure to issue regulations  
 2 governing financial responsibility in connection with the production, storage, transport, treatment  
 3 and disposal of hazardous substances. Plaintiffs and Defendant-Intervenors anticipate that,  
 4 depending on their content, such rules may substantially affect the financial interests of persons,  
 5 firms, partnerships, corporations or other entities producing, handling or disposing of hazardous  
 6 substances. Plaintiffs observe that industry representatives have been granted intervention to protect  
 7 their interests.

8 Pursuant to Civil L.R. 3-16, the undersigned certifies that as of this date, other than the  
 9 named parties, they are aware of no particular interests to report, although, as stated above, this  
 10 litigation could affect a broad variety of entities participating in activities involving hazardous  
 11 substances.

12 Respectfully submitted this 2<sup>nd</sup> day of July, 2008.
